

Hearing Loss, Hearing Aids, and Tinnitus

Date: Wednesday, February 7, 2024
Time: 12–1 pm (Eastern Time)

Join Dr. Elliott Kozin for a talk on common topics related to hearing loss. He will discuss hearing loss, hearing aids, and tinnitus.

Featured Speaker: Elliott D. Kozin, MD

Dr. Kozin is a fellowship trained and board-certified otolaryngologist specializing in adult and pediatric otology and neurotology at Mass Eye and Ear. He is also an assistant professor at Harvard Medical School. Dr. Kozin's clinical interests include the surgical management of chronic ear disease, such as cholesteatomas and tympanic membrane perforations, conductive hearing loss, cochlear implantation, and tumors of the lateral skull base. Dr. Kozin also performs endoscopic ear surgery for a variety of surgical conditions and regularly lectures on the subject.
