

Heart Disease: What You Need to Know

Date: Wednesday, February 19, 2025

Time: 12–1 pm (Eastern Time)

Heart disease is the leading cause of death worldwide. In this talk, Dr. Sanchita Singal Parulkar will review the epidemiology of heart disease, the risk factors that contribute to it, and how you can work towards optimizing your heart health.

Featured Speaker: Sanchita Singal Parulkar, MD

Dr. Singal Parulkar is a cardiologist (heart doctor) at Massachusetts General Hospital. She is a member of the Corrigan Women's Heart Health Program and an Instructor of Medicine at Harvard Medical School. Her interests within cardiology include medical education, women's cardiovascular health, echocardiography, and nuclear cardiology. She is a member of the Alpha Omega Alpha (AOA) and Gold Humanism (GHHS) Honor Societies and serves on the American College of Cardiology's Program Directors and Graduate Medical Educators (PDGME) council.
