

## Gretchen L. Timmel, M.Ed.

Educational Specialist  
Learning & Emotional Assessment Program (LEAP)

### Educational Consulting Services

*Please see page two for description of services and associated fees.*

#### Areas of Expertise:

- Language Based Learning Disabilities (e.g. Dyslexia)
- ADHD and Executive Functioning
- Mathematics Disorder (Dyscalculia)
- Nonverbal Learning Disorders (NVLD)
- Autism Spectrum Disorder
- Neurological Disorders (e.g. Epilepsy)
- Curriculum Planning

Gretchen Timmel, M.Ed. provides educational consulting services for children and young adults already receiving services at the Massachusetts General Hospital (MGH) Learning and Emotional Assessment Program (LEAP). Ms. Timmel has over thirty years of experience working in school and residential settings, and collaborating with medical teams, schools, and caregivers to promote individual student success.

Ms. Timmel specializes in the development of educational programs, teaching methodology and curriculum. Since each student is an individual, the type and scope of the educational services recommended will vary based on the student's unique needs.

Ms. Timmel is a licensed Educational Psychologist and School Psychologist in the Commonwealth of Massachusetts. She received her master's degree from University of Massachusetts in both education and school psychology. Ms. Timmel is also a certified elementary school teacher.

**Ask your LEAP provider for a referral.**

## **Initial Educational Consultation – \$350**

- In-person or virtual meeting up to two hours in length with parents/guardians. The student may be included in the meeting, but advocates may not participate.
- Includes review of medical history (including neuropsychological evaluation) as well as school reports, plans, and Individualized Educational Plan (IEP).
- Includes provision of educational impressions, preliminary recommendations, and review of next steps.

## **School IEP/Team Meeting – \$350**

- Offered after Initial Educational Consultation (+\$350)
- Virtual or in-person meeting with school team to review IEP, placements, or other concerns.
- Includes record review, participation in one-hour meeting, and related documentation.

## **Comprehensive Educational Assessment – \$950**

- Offered after Initial Educational Consultation (+\$350)
- Diagnostic evaluation of reading, writing and math performances, utilizing more than one assessment in each area.
- Includes error analysis, recommendation for teaching methodology, and 30-minute parent/guardian feedback session to review results.

## **Psychoeducational Evaluation – \$1200**

- Offered after Initial Educational Consultation (+\$350)
- Includes record review and evaluation of intellectual ability, perceptual motor skills, language, attention, and executive functioning, in addition to the above-described evaluation of academics (*Comprehensive Educational Assessment*).

## **Targeted School Observation – \$1200 + travel time (\$50 per 30 min.)**

- Offered after Initial Educational Consultation (+\$350)
- Up to two hours of observation time, with extended time billed at \$200 per hour.
- Includes observation report and 30-minute parent/guardian feedback session to review findings.

## **Additional Consultation Time – \$50 per 15 min.**

- For all services, additional consultation time will be billed at a rate of \$50 per 15 minutes.
