## Psychosomatic Conference Schedule – Academic Year 2023 - 2024

Date	Topic
7/6/2023	How to Give a Talk
7/13/2023	Capacity Assessment
7/20/2023	AUD
7/27/2023	Rational inattention
	Xylazine
	Demoralization
	The Inpatient with Somatic Symptom Disorder
8/24/2023	Self-inflicted Burns
	Off label use of stimulants
	Policy compression
9/14/2023	Benzodiazepines in the Elderly
9/21/2023	Considerations for patients with sickle cell disease
9/28/2023	Disability in Medical Education: CL Psychiatry
10/5/2023	Sequencing in Schizophrenia and the MGH Biobank
10/12/2023	Post partum psychosis
10/19/2023	Focused review of neuroleptics in C-L
10/26/2023	Tremors
11/30/2023	Healthcare Systems: optimization and financial outcomes in clinical services
11/30/2023 12/7/2023	Healthcare Systems: optimization and financial outcomes in clinical services PTSD and Cancer
11/30/2023 12/7/2023 12/14/2023	Healthcare Systems: optimization and financial outcomes in clinical services PTSD and Cancer Regulatory Data and Consult Psychiatry
11/30/2023 12/7/2023 12/14/2023 12/21/2023	Healthcare Systems: optimization and financial outcomes in clinical services PTSD and Cancer Regulatory Data and Consult Psychiatry Ketamine-Assisted Psychotherapy for Patients at End of Life
11/30/2023 12/7/2023 12/14/2023 12/21/2023 1/11/2024	Healthcare Systems: optimization and financial outcomes in clinical services PTSD and Cancer Regulatory Data and Consult Psychiatry Ketamine-Assisted Psychotherapy for Patients at End of Life Home Stimulants in Hospitalized Patients with Stimulant Use Disorder: Should They Stay or Sho
11/30/2023 12/7/2023 12/14/2023 12/21/2023 1/11/2024 1/18/2024	Healthcare Systems: optimization and financial outcomes in clinical services PTSD and Cancer Regulatory Data and Consult Psychiatry Ketamine-Assisted Psychotherapy for Patients at End of Life Home Stimulants in Hospitalized Patients with Stimulant Use Disorder: Should They Stay or Sho ANS Dysfunction in Patients with Trauma and Stressor Related Disorders
11/30/2023 12/7/2023 12/14/2023 12/21/2023 1/11/2024 1/18/2024 1/25/2024	Healthcare Systems: optimization and financial outcomes in clinical services PTSD and Cancer Regulatory Data and Consult Psychiatry Ketamine-Assisted Psychotherapy for Patients at End of Life Home Stimulants in Hospitalized Patients with Stimulant Use Disorder: Should They Stay or Sho ANS Dysfunction in Patients with Trauma and Stressor Related Disorders Intensive short-term dynamic therapy for psychosomatic disorders
11/30/2023 12/7/2023 12/14/2023 12/21/2023 1/11/2024 1/18/2024 1/25/2024 2/1/2024	Healthcare Systems: optimization and financial outcomes in clinical services PTSD and Cancer Regulatory Data and Consult Psychiatry Ketamine-Assisted Psychotherapy for Patients at End of Life Home Stimulants in Hospitalized Patients with Stimulant Use Disorder: Should They Stay or Sho ANS Dysfunction in Patients with Trauma and Stressor Related Disorders Intensive short-term dynamic therapy for psychosomatic disorders OPAT as a consideration for hospitalized patients who inject drugs
11/30/2023 12/7/2023 12/14/2023 12/21/2023 1/11/2024 1/18/2024 1/25/2024 2/1/2024 2/8/2024	Healthcare Systems: optimization and financial outcomes in clinical services PTSD and Cancer Regulatory Data and Consult Psychiatry Ketamine-Assisted Psychotherapy for Patients at End of Life Home Stimulants in Hospitalized Patients with Stimulant Use Disorder: Should They Stay or Sho ANS Dysfunction in Patients with Trauma and Stressor Related Disorders Intensive short-term dynamic therapy for psychosomatic disorders OPAT as a consideration for hospitalized patients who inject drugs Review of Phase 3 Regulatory Data for Sublingual Dexmedetomidine
11/30/2023 12/7/2023 12/14/2023 12/21/2023 1/11/2024 1/18/2024 1/25/2024 2/1/2024 2/8/2024 2/15/2024	Healthcare Systems: optimization and financial outcomes in clinical services PTSD and Cancer Regulatory Data and Consult Psychiatry Ketamine-Assisted Psychotherapy for Patients at End of Life Home Stimulants in Hospitalized Patients with Stimulant Use Disorder: Should They Stay or Sho ANS Dysfunction in Patients with Trauma and Stressor Related Disorders Intensive short-term dynamic therapy for psychosomatic disorders OPAT as a consideration for hospitalized patients who inject drugs Review of Phase 3 Regulatory Data for Sublingual Dexmedetomidine Unexplained regression in Down Syndrome
11/30/2023 12/7/2023 12/14/2023 12/21/2023 1/11/2024 1/18/2024 1/25/2024 2/1/2024 2/8/2024 2/15/2024 3/14/2024	Healthcare Systems: optimization and financial outcomes in clinical services PTSD and Cancer Regulatory Data and Consult Psychiatry Ketamine-Assisted Psychotherapy for Patients at End of Life Home Stimulants in Hospitalized Patients with Stimulant Use Disorder: Should They Stay or Sho ANS Dysfunction in Patients with Trauma and Stressor Related Disorders Intensive short-term dynamic therapy for psychosomatic disorders OPAT as a consideration for hospitalized patients who inject drugs Review of Phase 3 Regulatory Data for Sublingual Dexmedetomidine Unexplained regression in Down Syndrome Caring for homeless patients with psychiatric illnesses across a hospital's continuum of care
11/30/2023 12/7/2023 12/14/2023 12/21/2023 1/11/2024 1/18/2024 1/25/2024 2/1/2024 2/8/2024 2/15/2024 3/14/2024 3/21/2024	Healthcare Systems: optimization and financial outcomes in clinical services PTSD and Cancer Regulatory Data and Consult Psychiatry Ketamine-Assisted Psychotherapy for Patients at End of Life Home Stimulants in Hospitalized Patients with Stimulant Use Disorder: Should They Stay or Sho ANS Dysfunction in Patients with Trauma and Stressor Related Disorders Intensive short-term dynamic therapy for psychosomatic disorders OPAT as a consideration for hospitalized patients who inject drugs Review of Phase 3 Regulatory Data for Sublingual Dexmedetomidine Unexplained regression in Down Syndrome Caring for homeless patients with psychiatric illnesses across a hospital's continuum of care Cannabis, Substance Use and Tacrolimus
11/30/2023 12/7/2023 12/14/2023 12/21/2023 1/11/2024 1/18/2024 1/25/2024 2/1/2024 2/8/2024 2/15/2024 3/14/2024 3/21/2024 3/28/2024	Healthcare Systems: optimization and financial outcomes in clinical services PTSD and Cancer Regulatory Data and Consult Psychiatry Ketamine-Assisted Psychotherapy for Patients at End of Life Home Stimulants in Hospitalized Patients with Stimulant Use Disorder: Should They Stay or Sho ANS Dysfunction in Patients with Trauma and Stressor Related Disorders Intensive short-term dynamic therapy for psychosomatic disorders OPAT as a consideration for hospitalized patients who inject drugs Review of Phase 3 Regulatory Data for Sublingual Dexmedetomidine Unexplained regression in Down Syndrome Caring for homeless patients with psychiatric illnesses across a hospital's continuum of care Cannabis, Substance Use and Tacrolimus Neuromodulation for Postpartum Depression
11/30/2023 12/7/2023 12/14/2023 12/21/2023 1/11/2024 1/18/2024 1/25/2024 2/1/2024 2/8/2024 2/15/2024 3/14/2024 3/21/2024 3/28/2024 4/11/2024	Healthcare Systems: optimization and financial outcomes in clinical services PTSD and Cancer Regulatory Data and Consult Psychiatry Ketamine-Assisted Psychotherapy for Patients at End of Life Home Stimulants in Hospitalized Patients with Stimulant Use Disorder: Should They Stay or Sho ANS Dysfunction in Patients with Trauma and Stressor Related Disorders Intensive short-term dynamic therapy for psychosomatic disorders OPAT as a consideration for hospitalized patients who inject drugs Review of Phase 3 Regulatory Data for Sublingual Dexmedetomidine Unexplained regression in Down Syndrome Caring for homeless patients with psychiatric illnesses across a hospital's continuum of care Cannabis, Substance Use and Tacrolimus Neuromodulation for Postpartum Depression Mechanisms of Psychedelic Therapies
11/30/2023 12/7/2023 12/14/2023 12/21/2023 1/11/2024 1/18/2024 1/25/2024 2/1/2024 2/8/2024 2/15/2024 3/14/2024 3/21/2024 3/28/2024	Healthcare Systems: optimization and financial outcomes in clinical services PTSD and Cancer Regulatory Data and Consult Psychiatry Ketamine-Assisted Psychotherapy for Patients at End of Life Home Stimulants in Hospitalized Patients with Stimulant Use Disorder: Should They Stay or Sho ANS Dysfunction in Patients with Trauma and Stressor Related Disorders Intensive short-term dynamic therapy for psychosomatic disorders OPAT as a consideration for hospitalized patients who inject drugs Review of Phase 3 Regulatory Data for Sublingual Dexmedetomidine Unexplained regression in Down Syndrome Caring for homeless patients with psychiatric illnesses across a hospital's continuum of care Cannabis, Substance Use and Tacrolimus Neuromodulation for Postpartum Depression
